Hey \${CONTACTS_NEW_SM.FIRSTNAME},

I saw that you haven't been using your new SmartMusic account lately and thought I'd reach out to lend a hand. I know how busy things get!

For starters, [here's how you can find and open music](#). Explore the music you're already performing in class or discover new repertoire in the SmartMusic library.

After you've [created a class](#), [send assignments to your students](#) and track their progress.

If have questions or get stuck, don't hesitate to reach out!

Get in touch with our [support team online](#) or give us a call at (866) 240-4041. (Support hours are Monday through Friday 8:30 AM-5:00PM MT.) We'd be more than happy to help!

Happy teaching!

Hi there,

Did you know that you can [upload your own music in SmartMusic](#)? MIDI, MXL, XML, and MusicXML files can all be turned into custom assignments for students.

Of course, the SmartMusic repertoire library has thousands of titles for you to explore, too. [Here's how to find and open content](#).

Once you [create your first class](#), you can also [send assignments](#) and [track your students' practice time](#). That way, you can ensure students are practicing at home so you can all enjoy rehearsing at school together.

Need any help getting started? Get in touch with our [support team online](#) or give us a call at (866) 240-4041. (Support hours are Monday through Friday 8:30 AM-5:00PM MT.)

Cheers,
